Mercedes-Benz Extended Limited Warranty offers several term options so you can choose the coverage that best suits your needs. Based upon your vehicle model, you may choose to continue your warranty coverage up to 5, 6 or 7 years from the original 4-year/50,000-mile New Vehicle Limited Warranty start date – up to either 75,000 or 100,000 miles.

Additionally, Mercedes-Benz Extended Limited Warranty coverage may be purchased at any time prior to the expiration of your original New Vehicle Limited Warranty.<sup>5</sup>

Payment options are similarly flexible – you may choose to pre-pay the entire Extended Limited Warranty amount up-front, or include the cost in your monthly financing payments. Your dealer can work with you to help determine the approach that will best fit your needs.
