**WARRANTY DISCLAIMER:** All parts and accessories sold, and all repairs are performed by the dealership as is. The dealership hereby disclaims all warranties either express or implied, including any implied warranty of merchantability and fitness for a particular purpose and neither assumes nor authorizes any other person to assume for it any liability in connection with the sale of parts or accessories or any repairs performed to the vehicle. The only warranties on parts and accessories or repairs are those which may be offered by the manufacturer or distributor and only such manufacturer or distributor shall be liable for performance under such warranties. Customer shall not be entitled to recover from dealer any consequential damages. Damages to property, damages for loss of use, loss of time, loss of profit or income, or any other incidental damages. All parts are new unless otherwise indicated.

**SHOP SUPPLY COSTS:** we have added a charge equal to 13% of the total cost of labor, not to exceed \$50.00 to the repair order. This charge represents costs and profits to the motor vehicle repair facility for miscellaneous shop supplies and waste disposal. The state of Florida requires \$1.00 to be collected for each new tire sold in the state [s.403.7185] and a \$1.50 fee to be collected for each new or remanufactured lead-acid battery sold in the state [s.403.7185]

By signing below, you acknowledge that you were notified of and authorized the Dealership to perform the services/repairs itemized in the invoice and that you received (or had the opportunity to inspect) any replaced parts as requested by you. The vehicle is being returned to you in exchange for your payment of the amount due.

Section 501.89, Florida Statutes, requires that, at least 30 days before bringing any claims against a motor vehicle dealer for an unfair deceptive trade practice, a consumer must provide the dealer with a written demand letter stating the name, address and telephone number of the consumer; the name and address of the dealer; a description of the facts that serve as the basis for the claim; the amount of damages; and copies of any documents in the possession of the consumer which relate to the claim. Such notice must be delivered by the United States Postal Service or by nationally recognized carrier, return receipt requested, to the address where the subject vehicle was purchased or leased or where the subject transaction occurred, or an address at which the dealer regularly conducts business.
