RETROFIT PROTECTIVE GRILLE FOR ADDITIONAL COOLER

Service Campaign Bulletin

Mercedes-Benz

Campaign No. 2019040010, May 2019

TO: ALL MERCEDES-BENZ CENTERS

SUBJECT: **Model E-Class and GLC-Class (213, 253 platform)**
Model Year 2018-2019
Retrofit protective grille for additional cooler

Daimler AG ("DAG"), the manufacturer of Mercedes-Benz vehicles, has determined that on certain Model Year ("MY") 2018-2019 E-Class and GLC-Class (213, 253 platform) vehicles, the installed stone chip guard does not correspond to current production specifications. As a result, this may allow stones to contact the radiator. An authorized Mercedes-Benz dealer will retrofit a protective grille on the affected vehicles.

Prior to performing this Service Campaign:

- Please check VMI to determine if the vehicle is involved in the Campaign and if it has been previously repaired.
- Please review the entire Service Campaign bulletin and follow the repair procedure exactly as described.

Approximately 3104 vehicles are affected.

Order No. P-SC-2019040010
