Disposal of Hazardous Waste

The State of Maine requires that all hazardous waste (oil, solvents, anti-freeze, etc.), must be disposed of by a licensed contractor in an environmentally safe manner. Any charges for a disposal of hazardous waste reflects our conformity to state law in addition to our concern for the preservation of the environment.

SHOP CHARGES: In addition to charges for parts and labor, we also charge a "shop charge." This "shop charge" is to help defray the costs of certain materials and services that cannot be accurately itemized, but which are generally used and performed in the repair and service vehicles. These items and services include, but are not limited to, rags, bolts, screws, hand cleaner, and waste and oil disposal. This charge is calculated as a percentage of the total labor charge.

ALL PARTS ARE NEW UNLESS OTHERWISE INDICATED.
