The Ventus R-S3 is a new extreme Performance Summer tire developed for serious sports car, sports coupe and performance sedan enthusiasts looking for race tire-like traction on the street or for use in autocross, drifting and track events. It was created from the successful Ventus Z214 racing design and technology, brought to the street with improved road contact surface area for dry traction. The result is a street tire delivering extreme dry grip with Hankook's proven racing tread compound.
